

Read Me

Please follow the steps mentioned below after unzipping the downloaded **xbee_testing_verification.zip** file from portal:

- i. Please find the ***"installation_steps_for_XCTU.pdf"*** in **xbee_testing_verification** folder and follow the instruction to install XCTU software.
- ii. Please find the ***"instructions_for_xbee_testing_verification.pdf"*** in **xbee_testing_verification** folder and follow the instruction to configure and test the XBee modules.

Note:

xbee_testing_verification_code folder contains code and hex files for programming Fire Bird V for testing XBee module as explained in ***"instruction_for_xbee_testing_verification.pdf"***.
